

On the 4<sup>th</sup> of June (3<sup>rd</sup> Apr 2012)

On the 4th June, not only will you be able to elect a selection of politicians to represent us in the European Parliament and one to represent the whole town in the County Council, you will also have the chance to elect two for the Town Council. The Town Council bit will only apply if you live in the 'Castle' ward.

This leaves me with a bit of a quandary. The area from Lower Kings Road to Bank Mill Lane used to be in Berkhamsted 'East' ward (together with Sugar Lane to Kings Rd/Butts Meadow), which I represented as an Independent from 1995 to 1999 on both the Town and Borough Councils.

I like to think I represented residents well, with a regular newsletter (by regular - up to 4 times a year!) as well as a political column in the 'Berkhamsted Review'.

If you would like an 'Independent' representative back on the Town Council and to represent the Town on the County Council, then I really need some help to get literature etc. Out

If you would like to be reminded what I actually do and have done, visit my web site at <http://www.normanCutting.com>, send me an e-mail to [normanCutting@aol.com](mailto:normanCutting@aol.com) with either a query or offer of help (money would be nice, but 'foot-soldiers' would help my feet!).

My address and telephone number are along the bottom of this leaflet.

**COME ON - I CAN'T BE WORSE THAN WHAT WE HAVE CURRENTLY!**

Remember, I've worked in the area all my life, born at West Herts Hospital, and currently live about 500 yards from where I first came to the town - screaming and yelling aged 2 weeks old!
